From T56 - Wroblewski, Toni___ 12/22/2017__ 16:34_____ _____
P04 ADVISING P22 TO CALL JULIA AND TELL HER SHE NEEDS TO TALK TO AN OFFICER FROM NOW ON WHEN REQUESTING WELFARE CHECKS

From P22 - DAMRON, DAVID H.___ 12/22/2017__ 17:14_____ _____
- I called Julia inquired about the allegations she is bringing against Kevin and his parents. Subject stated there are rumors of sexual and "satanic ritual" abuse going on at either Kevin's house or his parents' house involving her daughter, Madeline. Subject stated people who worship Satan often perform rituals around the holidays. This has given her concern for her daughter's safety as it is the holiday season. She now requests the police department perform regular checks on Madeline as she is in a "house of abuse."

I called Sgt. E. DeGroot and advised him of Julia's statements. I was told to advise her she needed to have more specific documentation before we would continue to perform welfare checks on such a regular basis.

I called Julia and advised her of the above decision. I further asked her to elaborate on these claims. Julia told me that Kevin's friends are musicians and drug addicts

who talk. She has heard, not necessarily from anyone in particular, that satanic rituals are being performed around Madeline. Julia stated there were no specific statements, more of a general rumor. Subject went on to tell me about conspiracies regarding her court case and that there are secretive things going on behind the scenes.

When I asked her who was spreading these rumors, Julia advised she did not want to get into that. Later, she would tell me that her attorney, Eric Miskell, told her there is satanic abuse present. She also claimed to have evidence of abuse; however, it was from the past and has been brought up in court already.

Julia asked who else she could speak with and I let her know which supervisors were on duty. Not liking either choice in supervisors, Julia asked for me to try and convince my department superiors to believe her. I advised Julia her information would be documented. DHD
